The Royal Foundation Inc. (Charity) has agreed to allow active Business Associates & Customers of The Royal Network Inc. to nominate people, organizations and communities as potential recipients of the financial "gifts of charity" by The Royal Foundation Inc. (Charity) Once the nominations have been validated as a true cause, then the Business Associates & Customers of The Royal Network Inc. will read several validated stories of the month and put to a vote thus selecting the "Royal Recipient" to receive charitable support from the Foundation. This is a very unique feature charity offers and is one of the main reasons for our support.

Much like the "Prize Patrol", the Foundation will send staff to the "Royal Recipient" to surprise them with flowers in hand, teddy bear with a Royal Heart, and an oversized check to present to the "Royal Recipient" while photographs and videos are being made for the purpose of uploading the video feeds and pictures to The Royal Foundation's (Charity) Website so the public can see the "act of giving" and know for a certainty that the person, organization or community received a very special "Royal Surprise!"

Everything a person does with The Royal Network, Inc. (Business) helps to support someone in need around the world! Look out, The Royal Foundation (Charity) might be heading to your town helping someone you know who is in need!
